Logistics Records at [REDACTED]

The OTR Records Management Officer, [REDACTED] and the Log Records Management Officer visited [REDACTED] on 30 April to conduct a records survey. Some preliminary steps were taken toward the revision of the Records Control Schedule; however, the time element precluded the completion of the survey in one visit. Arrangements are being worked out to spend two full days at the site during the week of 6 May 1963 to compile all the necessary documentation to prepare a new schedule.
